## Overview

*This is a great opportunity to buy a factory new September 2021 data plate Bell 505. The aircraft is located in the UK and on the UK register. This 505 benefits from an extensive list of options including the HeliSAS 2-axis autopilot and Garmin NXi screens with Flightstream 510, allowing flight plans to be transferred from your iPad directly to the aircraft.*

*The aircraft is presented in Purple with Silver dynamic stripe, grey leather interior, and is in an as new condition inside and out. It comes with a full 3 year / 1000 hour warranty.*

*Any flight trials are welcome in this beautiful 505.*
