

## Bell 505 Jet Ranger X

Registration: G-XXSF  
Serial Number: 65198

## History

This is a great opportunity to purchase a one owner from new low hour Bell 505. This helicopter had been hangared from new and has been meticulously maintained by a Bell CSF. The current owner added the HeliSAS autopilot in 2021, fitted by the Bell CSF. It is the three-axis option, which covers pitch, roll and yaw, reducing pilot workload. In addition to the autopilot the aircraft has the following specification.

This helicopter is presented in a ‘as new’ condition and flies beautifully, presented in metallic blue with grey leather seats. This 505 is enrolled into Bell’s Customer Advantage Plan which can be carried over by the new owner, this allows for peace of mind for all Bell fitted rotatable parts for the future.

Manufacturer	Bell
Model	505 Jet Ranger X
Registration	G-XXSF
Serial Number	65198
Number of seats	5
MTOW	1669 kg
Engine Model	SAFRAN Helicopter Arrius 2R
